Subject: City Council Public Hearing Testimony
Aloha,

I am a member of the Waipahu Neighborhood Board No 22 but am testifying as a private citizen.

I wish to testify in strong favor of Bill 69, authorizing the city to have advertising on the outside of city buses.

Since the law already allows commercial vehicles to have advertising on the outside of their vehicles, denying the city the same rights would be discrimination. As long as there is a comprehensive review of what type of advertising is allowed, then it should be available. Not allowing this measure to pass will surely end up in raising the property taxes.

Mahalo,

George Yakowenko
Waipahu Resident
